Terms of Reference (TOR)

Nutrition Specialist (Category C)

Background

The Smallholder Agribusiness and Resilience Project (SARP) is co-funded by the International Fund for Agricultural Development (IFAD) and the Government of Sri Lanka. It aims to contribute to reduce poverty among small-scale farmers and increase food security and nutrition in dry zones by building resilience and enabling rural households to access markets in geographies affected by climate change. The project is focused in select hotspots in Vauniya, Mannar, Puttlam, Kurunegala and Mathale districts aligned across the Deduru oya, Mee oya and Malwathu Oya river basins. The Total Project Finance Value is USD 59.57 Mn.

Scope of work:

The Nutrition Specialist will work under the supervision of the Deputy Project Director and Project Director. The Nutrition Specialist supports the development and preparation of the nutrition programme and is responsible for managing, implementing, monitoring, evaluating, and reporting the programme progress. The incumbent provides technical guidance and management support throughout the programming processes to facilitate the administration and achievement of concrete and sustainable results in maternal, infant and child nutrition programmes/projects.

Specific duties of the incumbent will include but are not limited to the following:

- Select a team of Core Trainers to assist in preparing localized training materials on the relevance of improved nutrition to climate resilient productivity and livelihoods diversification.
- Prepare and deliver a Training of Trainers programme for the Core Team of Trainers on nutrition and Behaviour Change Communication (BCC) as relevant to the dry zone conditions of the country.
- Provide back-up support to the Core Team of Trainers, extension workers and service providers and community facilitators as the field level training programme is rolled out.
- Prepare a specialized training programme on nutrition for application within the Farmer Field School.
- Design Nutrition Intervention Packages for the project area in close collaboration with the Value Chain Specialist, Extension staff with feedback from District offices and the World Food Programme (WFP) the implementing partner. This includes developing nutritive-rich home gardens, nurseries, aquaculture and small-scale livestock (goats and dairy cows) activities and linking them to the BCC activities.
- Deliver a short training on nutrition for the cadre of community facilitators to familiarize them with content and strategies for implementing the nutrition packages in their districts.
- Provide technical assistance and guidance to field level staff in the implementation of nutrition sensitive value chains to identify interventions at different stages of the Value Chain and nutritional challenges in each project district.
- Support and monitor the mainstreaming of nutrition in the project through field visits.
- Document lessons learnt and achievements in mainstreaming nutrition and achieving targets (output and outcome) in the project.

- Any other duties assigned by the Project Director or Deputy Project Director.

Qualifications/Experience Required:

1. A successfully completed Degree in Bachelor of Food Science and Nutrition, Bachelor of Science in Food Science and Technology or any other related Degree which is recognized by the University Grants Commission of Sri Lanka.

And

A Post Graduate Degree (Masters) Qualification in the relevant fields/ An Associate Membership or similar professional qualification obtained from a recognized professional body in the relevant field.

With

At least Eight (08) years post qualifying experience in the relevant field at a Managerial Level.

Or

2. Class I officer of a government ALL-Island Services or a similar status in the relevant field.

And

A Postgraduate Degree (Masters) Qualification in the relevant field.

With

At least Two (02) years post qualifying experience in the Class I post or a similar status in the relevant field.

Other Required Qualifications and Experiences

- Minimum of 3 years of relevant experience in a similar position in foreign funded projects
- Excellent knowledge of and practical experience in Nutrition Management & application
- Experience in the design of nutrition trainings and Social Behavioral change communications strategy
- Experience in health/nutrition programme/project development and management in a foreign funded project/s is an asset
- Familiarity with nutrition-sensitive agriculture approach and/or IFAD investment operations is an asset
- Understanding of economic, cultural and gender dynamics and of how they affect nutrition
- Experience and knowledge of the rules and procedures in force at the IFAD and the Government of Sri Lanka will be a plus
- Computer-literate and well-versed in the use of MS Word, MS Excel and the Internet, and have demonstrated capability in MS Access
- Strong inter-personal skills
- Strong analytical skills
- Good oral and written communication skills in English and Sinhala, preferably in Tamil.

Salary Scale:

Based on the Management Services Circular 02/2026.

Location and period of execution

The Nutrition Specialist will be based in Project Management Unit at Colombo with field visits as may be required.

Duration of services

Duration of service is 1 (one) year subject to six (6) months' probation period and extension will be subjected successful performance evaluation according to the Management Service Circular 02/2026.
